EDUCATION

B Tech in Information Technology
UNSIET, Jaunpur UP
11/2020 - 08/2023   *Percentage secured 80%*

Diploma in Information Technology
Government Girls Polytechnic, Lucknow
06/2017 - 08/2020   *Percentage secured 79%*

WORK EXPERIENCE

Web Developer
Reno Platforms Private Limited
03/2024 - Present   *Lucknow, Utter Pradesh*
Achievements/Tasks

- Developed and maintained University Management System modules including LMS, Course & Student Management (CSM), Examination, and Employee Management.
- Designed and implemented complex academic workflows such as timetable generation, attendance tracking, grading systems, and result processing.
- Built scalable full-stack applications using **Next.js** and **Prisma ORM** .
- Managed and optimized **SQL databases** through Prisma, ensuring efficient query performance and data integrity.
- Developed RESTful APIs and backend logic for handling large-scale academic and administrative data.
- Created responsive and modern user interfaces using **Tailwind CSS** and **Shadcn UI**.

PERSONAL PROJECTS

Portfolio Builder(https://mern-portfolio-two.vercel.app)
- Built a full-stack MERN application enabling users to create and manage personal portfolios through a secure admin dashboard.
- **Tech Stack:** React, Redux Toolkit, React Router, Node.js, Express.js, MongoDB Atlas, Mongoose, JWT, bcryptjs, Cloudinary, Nodemailer, Tailwind CSS, Lucide React, Lottie Animations, Vercel
- **Source Code:-** https://github.com/Kritika131/mern_portfolio_client,https://github.com/Kritika131/mern_portfolio_backend
- **Deployed on:-** https://mern-portfolio-two.vercel.app
- **My Portfolio:-** https://mern-portfolio-two.vercel.app/portfolio/kritika

YourHealthMate (https://yourhealth-mate.vercel.app)
- A full-stack telemedicine platform enabling patients to book appointments with verified doctors, conduct real-time video consultations, and manage healthcare credits through role-based dashboards.
- **Tech Stack:-** Next.js, Prisma ORM, PostgreSQL, Vonage Video API, Clerk, Shadcn UI, Tailwind CSS, Lucide React Icon, React Hook Forms
- **Source Code:-** https://github.com/Kritika131/yourHealthMate
- **Deployed on:-** https://yourhealth-mate.vercel.app/

Resume Builder(https://resumebuilder-theta.vercel.app/)
- Developed a feature-rich resume builder web application that enables users to create, customize, and export professional resumes. Supports real-time preview with three templates (Classic, Modern, Minimal), dark mode, drag-and-drop section reordering, profile photo upload, form validation, and PDF export. Data persists via localStorage for seamless editing across sessions.
- **Tech Stack:** React.js, Context API, React-to-Print, Lucide React, CSS, HTML5, JavaScript (ES6+), Vercel
- **Source Code:-** https://github.com/Kritika131/resumebuilder
- **Deployed on:-** https://resumebuilder-theta.vercel.app/
